Guénaël Guillerme appointed General Manager of ECA

Groupe Gorgé has announced the appointment of Guénaël Guillerme as the new Chief Executive Officer of ECA, a subsidiary in which it holds a stake of 53.48%.

Guénaël Guillerme joined ECA in 1997 as manager of ECA in Toulon before being appointed the group's Chief Executive Officer in 1999 and then its Chairman and CEO in 2006.

Under his management, the ECA group achieved significant growth, combining several external development operations (ECA FAROS, ECA SINDEL, ECA SINTERS, ECA EN, etc.) with sustained organic growth. Several of the new products marketed by the group (land robots, surface drones, autonomous submarine robots) were developed over this period. In 2008, Guénaël Guillerme decided to leave ECA to work on a new business project.

In a context where ECA must simultaneously restore profitability and convert a number of major business opportunities, the ECA Board of Directors invited Guénaël Guillerme back to take over its general management. He accepted the offer, which will take effect as from 12 February 2013. At this time, Raphaël Gorgé remains the ECA Chairman while Jean-Jacques MARTELLI remains the deputy CEO.
